Guidelines for Teaching I Semester and II Semester Courses to Directly Admitted (DA) Students in Second Year Diploma Programmes (S-4 Scheme)

On 09/07/2024, a meeting of the Curriculum Development Cell (CDC) was convened in the Examination Department, chaired by Dr. G.R. Andhorikar, Principal of SIMMT. The primary objective was to identify essential and relevant courses from the 1st and 2nd semesters that must be taught to students directly admitted to the second year of the diploma programmes.

Attendees:

The meeting was attended by the following members:

Name/Designation	Signature
1. Dr. G.R. Andhorikar - Principal	
2. Shri A.P. Modgekar - HoD, DTC	
3. Shri H.V. Ramteke - HoD, DTT	
4. Shri A.S. Deshmukh - Lecturer (Sel. Grade)	
5. Shri S.S. Joglekar - Lecturer (Sel. Grade)	
6. Shri R.R. Kori - Lecturer	
7. Shri B.R. Khade - Lecturer	
8. Smt. S.V. Raut - Lecturer	
9. Shri N.R. Munde - CoE	
10. Shri S.B. Pawar (CDC In-Charge) - Lecturer (Sel. Grade)	

Key Decisions Made:

- 1. Course Identification:** After thorough discussions, the committee identified crucial courses from the 1st and 2nd semesters that are vital for the DA students' curriculum.
- 2. Implementation Schedule:** A semester-wise schedule for teaching these courses was finalized, ensuring alignment with the curriculum for the 3rd and 4th semesters.
- 3. Guidelines for TH/PR Classes:** Clear guidelines were established for conducting theory and practical (TH/PR) classes, including the criteria for awarding credits.

Programme Name: Diploma In Textile Chemistry (DTC)

Sr No	Sem.	Course code	Course name to be taught	Session in which the course is to be taught
1	I	C231104	Textile Fibres	Odd Session Along with III Sem.
2	II	X231201	Pre-treatment Technology	
3	II	X231202	Technology of Dyeing Natural Fibres	
4	II	X231203	Fundamentals of Yarn and Fabric Forming	Even Session Along with IV Sem.
5	II	C231205	Testing of Fibres and Yarns	

Programme Name: Diploma In Textile Technology (DTT)

Sr No	Sem.	Course code	Course name to be taught	Session in which the course is to be taught
1	I	C231104	Textile Fibres	Odd Session Along with III Sem.
2	II	T231201	Spinning Preparatory Processes	
3	II	T231202	Weaving Preparatory Processes	
4	II	T231203	Fundamentals of Wet Processing	Even Session Along with IV Sem.
5	II	C231205	Testing of Fibres and Yarns	

Additional Guidelines

Contact Hours (CL/LL): Each course will comprise 45 hours of contact and lab learning (CL/LL), scheduled as per the plan prepared by the HoD or course teacher.

Self-Learning Activities: Students are required to complete remaining contact hours (as per curriculum) through self-learning activities assigned by faculty. This may include assignments, micro-projects, and topic presentations. Self-learning will be endorsed by the course teacher and HoD.

Scheduling of Classes:

- **Saturdays:** Classes will be held from 10:00 AM – 01:00 PM and 01:30 PM – 04:30 PM.
- **Working Days:** Additional classes will be scheduled from 09:00 AM – 10:00 AM as planned by the course teacher or HoD.

Evaluation and Grading: All course activities will be evaluated and graded appropriately by the course teacher. Results will be submitted to the examination department by the end of the semester, and successful candidates will be awarded the corresponding course credits, exempting them from appearing for the examination. All remaining subjects from the 1st and 2nd semesters will also be exempted without any pre-conditions.
